

KENTUCKY BOURBON TRAIL

The Complete Distillery Map

Every distillery, every region — official trail and craft producers

Drive times are deceiving

Louisville → Bardstown is 50 min. Lexington → Owensboro is 2½ hours. Group your stops by region — don't bounce.

Walkable beats drivable

Whiskey Row in Louisville packs 5+ distilleries within 4 blocks. Lexington's Distillery District has 4 in walking distance.

Free tours are the hardest tickets

Buffalo Trace's tours are free and book up a month out. Book those first; pay-tour distilleries are easier.

Stay in the right region

Wrong base = 90 extra minutes of driving daily. Louisville for first-timers, Bardstown for serious planners.
